

## CMMI Distilled: A Practical Introduction to Integrated Process Improvement (Paperback)

---

By Dennis M. Ahern, Aaron Clouse, Richard Turner

Pearson Education (US), United States, 2008. Paperback. Condition: New. 3rd edition. Language: English. Brand new Book. CMMI (R) (Capability Maturity Model (R) Integration) is an integrated, extensible framework for improving process capability and quality across an organization. It has become a cornerstone in the implementation of continuous improvement for both industry and governments around the world. Rich in both detail and guidance for a wide set of organizational domains, the CMMI Product Suite continues to evolve and expand. Updated for CMMI Version 1.2, this third edition of CMMI (R) Distilled again provides a concise and readable introduction to the model, as well as straightforward, no-nonsense information on integrated, continuous process improvement. The book now also includes practical advice on how to use CMMI in tandem with other approaches, including Six Sigma and Lean, as well as new and expanded guidance on preparing for, managing, and using appraisals. Written so that readers unfamiliar with model-based process improvement will understand how to get started with CMMI, the book offers insights for those more experienced as well. It can help battle-scarred process improvement veterans, and experienced suppliers and acquirers of both systems and services, perform more effectively. CMMI (R) Distilled is especially appropriate for...
